### **2. PUBLIC APPEARANCES**

### **3. PROTEST HEARING – HUNTER VALLEY CSD PARK & RECREATION SERVICES LATENT POWERS ACTIVATION**

The Del Norte LAFCo approved the proposed parks and recreation powers activation on August 24, 2020. Approval triggered a 30-day reconsideration period followed by a protest hearing. The protest hearing is conducted to allow landowners and registered voters within the affected territory to file a written protest against the Commission’s action with the Executive Officer.

Pursuant to State law, an election would be called if 25-50% of registered voters protest or 25% or more of landowners protest. The 25% threshold for landowner protest refers to both the number of owners and the assessed value of land. Furthermore, the powers activation would be terminated if 50% or more of registered voters protest in accordance with this notice. If there is less than 25% protest, the Commission action is confirmed. Protest forms are available online at [www.delnortelafo.org/news](http://www.delnortelafo.org/news).

The LAFCo Executive Officer will conduct the protest hearing as follows:

- A. Describe the proposal and purpose of the hearing
- B. Summarize LAFCo Resolution No. 20-04
- C. Open the hearing
- D. Receive any oral or written protests, objections or evidence
- E. Note all written protests received prior to the hearing
- F. Close the hearing
- G. Determine the value of written protests filed and not withdrawn

#### **4. ADJOURNMENT**

The next regular meeting of the Commission will be held on November 23, 2020 at 4:00 PM via Zoom video conference. At the meeting, the Executive Officer will present the results of the protest hearing, with a draft resolution, to the Commission for its consideration. Based on the number of valid written protests received, the parks and recreation services activation will either be confirmed, terminated, or subject to an election.
